The prices listed above are for suits only. Custom Logos are \$6.00 for 1-3 colors, & \$8.00 for 4+ Colors

We do not suggest putting a logo on a print suit due to visibility. Solids and Splices are best.

Splices are available until the vendor discontinues the style. Typically there will be a similar replacement the next year.

***ONLY Suits purchased at our store will be logoed. If a solid suit is brought in to be logoed at a later date, proof of purchase will be required.**
